These sexually explicit documentary photographs taken at the once famous Ivar Theater in Hollywood California were shot by and are copyrighted © by Norman K. Breslow. You are welcome to share them with others. They may be reproduced, copied and distributed for noncommercial purposes, provided they remain in their complete original form. This Ivar series was shot in 1977. Try to spend more time looking at the audience than at the girls.

Many of these documentary photographs were included in a group show at the Drkrm Gallery in Hollywood CA titled Camera Night at the Ivar, from October 20 to November 25, 2012.
